

Online-Workshop

1 hour

5-9 participants

CHF 1'000

«I loved the simplicity of this process and how valuable it is to the team»

«It's great what is possible in 60 minutes!»

«Important, to the point, exciting & energizing»

One hour interactive online workshop with reflections, inspirations, insights and an articulated individual operating manual by each participant.

Includes, among other things:

- «This is important to me when working with others»
- «This is what I like to do most of all»
- «This is what I don't like doing at all»
- «This is what I need to be in flow at work»
- «This pulls me out of my flow»
- «Other unique characteristics you should know about me»

(Quotes from the Feedback at the end of the workshops)
